MEMORANDUM

SUBJECT: Response to CSTAG Recommendations on the Ashland N.S.P. Lakefront
Superfund Site

FROM: Jon Peterson, RPM
Region 5

TO: Stephen J. Ells
Judith McCulley, Co-chairs
Contaminated Sediments Technical Advisory Group (CSTAG)

The attached letter from the Wisconsin Department of Natural Resources (WDNR) dated October 16, 2002, responds to the recommendations from the CSTAG dated September 3, 2002. The WDNR drafted the response in consultation with myself and Tom Short, the Region 5 CSTAG representative, and will serve as Region 5's official response to the CSTAG recommendations for this project.
